**STATEMENT OF GLOBALSTAR USA, LLC
EXPLAINING CPNI PROCEDURES**

February 23, 2010

To the extent that it is not exempt from the Commission's rules by virtue of being a Mobile Satellite Services provider under 47 C.F.R. Part 25, GUSA is classified as a CMRS carrier for most purposes. GUSA does not use, disclose, or permit access to individually identifiable customer proprietary network information except as permitted under the Commission's rules. GUSA posts its basic policies and procedures with respect to subscriber CPNI on its Internet site. GUSA has only one affiliate that markets and sells Mobile Satellite Services and equipment in the United States over the Globalstar Satellite System. GUSA markets this other service, which is the same category of service as GUSA's services, to its subscribers on behalf of its affiliate and does not share subscriber CPNI with its affiliate. On occasion, GUSA conducts outbound marketing of its service offerings to its subscribers. GUSA also responds to inbound inquiries from subscribers who contact GUSA's customer care center or who respond to bill inserts and Internet postings. In the course of responding to inbound inquiries, GUSA complies with all of the relevant provisions of 47 C.F.R. §§ 64.2001 *et seq.*
